

Geometric Dimensioning & Tolerances One Day Seminar

When: Monday, April 12, 2010

Where: Frisco Rough Riders Ballpark

Overview:

The purpose of this course is to provide an introduction and vocabulary for Geometric Dimensioning and Tolerances.

Who Should Take This Course:

This course is designed for drafters, designers, engineers and technical professionals with little or no GD&T experience. Professional Engineers can earn 6 PDH units by participating in this seminar.

Course Materials:

Each participant in the course will be provided:

- Bound set of notes that follow the program.
- Certificate of completion for six hours for continuing education credit.

Schedule (subject to change):

Noon	Introduction	4:30	New ASME Y14-2009 Standard
12:30	FORPL Chart	5:30	Wrap-Up
2	Modifiers	6	Adjourn
3:30	Datums	7	Ballgame

Instructor:

Thomas Allsup is the Managing Partner of Anida Technologies in Dallas, TX. Thomas has a BSME from Oklahoma State University and a MSME from University of Texas at Arlington. He has worked in "high tech" design and manufacturing for over 20 years. Thomas was ASME certified in the use of Geometric Dimensioning and Tolerancing and presented a paper at the 2005 IEEE BiTS Workshop on GD&T usage in semiconductor packaging. For questions, contact Thomas Allsup at tallsup@anidatech.com or **972.480.0110**.

Cost:

The cost for each participant is listed below. Full refunds are available for cancellations received 5 days prior to the seminar. Cancellations within 5 days of seminar receive 50% refund.

<u>Pre-Registration</u>	<u>Late Registration</u>	<u>Participant</u>
\$200	\$240	First person from each company
\$180	\$220	Additional persons from each company

Pre-registration payments are required 5 days prior to the seminar via company purchase order at fax **469.848.4884**, checks or money orders made out to **Anida Technologies, 819 W. Arapaho Rd. Suite 24B #344 Richardson, TX 75080** or by Paypal payments sent to tallsup@anidatech.com. Include your name, company affiliation, email address, and phone number with your registration.
